## **General Meeting Notes**

**Saturday 21<sup>st</sup> April 2018**

40 Clubs Represented

### **Business Arising:**

#### **Application for Membership**

Application for membership application received from HDT Owners Club Inc. tabled at least meeting to voted on at this meeting.

Club accepted as member by vote of delegates present

### **Reports**

#### **Log Books Conditional Registration**

**Order Quantity:** Clubs should only order sufficient Log Books to cover a six month period, we have had instance where a club had enough books to last 4+ years! This makes accounting and record keeping simpler for both the Federation and the clubs.

**Mailing of Log Book Orders,** Australia Post has 3 Post Packs available

500g which will hold 25 Log Books

1kg which will hold 50 Log Books

3kg which will hold 100 Log Books

When ordering books base the quantity on usage/pack size.

**“Owner Vehicle Details “ page:** Question was asked at last meeting re changing details on this page, Brian Davey made statement ”nothing can be changed on this page, new book must be issued”. This was corrected at the time, the point had already be established by DPTI, a number of clubs have incorrectly reported this in their magazines -”no changes new book” which is incorrect- Refer Federation Web Site Club Registration FAQ’s

**“Stamping of Registration Papers”** It’s that of year when many clubs memberships are due a common request in many club magazines is the member is required to being in the vehicle(s) blue registration form, presumably for stamping. Why? It is no longer a requirement under the Code of Practice.

## **Web Site**

It's up and running, a percentage of house-keeping/up-dating to be done especially in member club area. Currently this has Club Details as per our data base, which in some cases contain personal addresses etc. Proposed format will be Club
