### **General Business**

A reminder that the Code of Practice advises all aspects of the club registration scheme.

It is on the Federation website and the DIT website.

A reminder that if a club updates their Constitution that, when it has been accepted by Consumer Affairs, a copy must be sent to the Federation

A reminder that if a club has a new committee that the club makes sure the new committee is up to date with the Code of Practice.

Gallaghers Insurance – renewal have started to go out. We have in writing that all clubs are covered until they receive their renewals.

At a recent event the SA Police were in attendance. They can come to a club as a guest speaker about various subjects.

Model A Ford Club have 2 vehicles that would like seat belts put in a timber frame. Does anyone know someone that can do this as the person they did use no longer does this.

The AHMF national conference went well. SA has only one body for historic registration other states have multi bodies handling this.

Most states are disappointed with Gallaghers – there are over 1000 clubs in Australia.

The 2024 conference to be held in SA in September.

Other states are handling the bus situation – DIT are still sorting this issue out.

An event similar to Pebble Beach was held earlier this year with 10,000 people lining the streets.

The Robert Shannons Foundation – entrant with a 1947 Triumph applied for \$1000 for tyres end up with other \$1000 for brakes then the NSW President matched the \$2000.

The Arthur Clisby received good reports

The Jaguar Day on October 29<sup>th</sup> invitation to all
