The above is the first draft of a programme for the Federation Meet the Clubs Tour 2026. If you would like to join us on this tour, please send an email to the Federation Treasurer on treasurer@fhmcsa.org.au by expressing a no obligation interest in attending all or part of the tour. Please state your accommodation preference eg Caravan Park or Motel style.

Please do this before Monday 14 July 2025 as a pre tour run will be done during the following weeks to set up meals and prepare accommodation venues for bookings to be made by entrants. Once we have set up a viable programme, we will be holding a Tour launch at the CCC Rooms for the formal expression of interest in the tour. Participants will be able to start and conclude their tour either in full or in part that suits their budget or personal preference.
